Community Action Plan

Brewarrina

Date: 28th May 2020

Review date: 4th June 2020

Level 1: Prepare: COVID-19 has not entered the community (H3)

Level 1: Prepare: COVID-19 has not entered the community (H3)	Action	Responsibility
1. Community entry measures to minimise risk of importing COVID-19 cases applied:	**1.1** Communication to community through discussion, flyers, social media that non-residents not welcome.	LALC/Health – Complete. Community engagement ongoing
	1.2 Signage at entrances to Community warning residents and essential workers only allowed entry.	Aboriginal Affairs – Large restricted access signs distributed. Sign in at entrance to Barwon Four Reserve and Elsie Coffey Bush Queen Village
	1.3 Community agree to only leave for essential travel; food, hygiene products, medical appointments; work.	LEMC/LALC/Community Leaders – Education and community engagement ongoing.
	1.4 Police to consult (at least twice weekly) with LALC and/or Community leaders as to	Police – Ongoing.

Level 1: Prepare: COVID-19 has not entered the community (H3)	Action	Responsibility
	current status of community and any response required.	
2. Public Health Order requested to enforce residents only entry	**2.1** LEMC consider PHO application for non-residents exclusion.	LEMC & LALC – Discussed. Application for PHO not required at this stage. Current NSW Health Order – 'Stay at home' suffice.
3. Police assist in enforcement of PHO.	**3.1** Police requested to set up roadblock at entrance to community to only allow residents and essential services to have access egress. **3.2** No roadblock, but police concentrate patrols on road into community conducting vehicle stops and checking bonafides of persons for residential status	Police - Discussed. Application for PHO not required at this stage. Current NSW Health Order – 'Stay at home' suffice. Police – Brewarrina Police, other Central North PD resources and Western HWP to continue patrols of Brewarrina township to identify PHO breaches. Ongoing
4. No Public Health Order	**4.1** Above strategies could still apply however police utilise current legislation of 'non-essential travel' to stop and enforce non-residents entering the community. **4.2** Police could also utilise NSW legislation relating to the offence of 'trespass' if non-residents were in the community and had been requested to leave by LALC.	Police - Brewarrina Police, other Central North PD resources and Western HWP to continue patrols of Brewarrina township to identify PHO breaches. Police/LALC – Police to liase with Brewarrina ALC CEO regarding entry to Barwon Four Reserve and Elsie Coffey Bush Queen Village (West Brewarrina) and possible exclusion orders for non-residents who fail to comply. (Essential worker exemption to perform their duties).
5. Signage placed at Entrance to Community reinforcing PHO or LALC rule about non residency exclusion (Essential services exempt)	**5.1** Large Signs to be made and erected at Entrance to Barwon Four Reserve and Elsie Coffey Bush Queen Village (West	LALC - Large restricted access signs distributed. Sign in at entrance to Barwon Four Reserve and Elsie Coffey Bush Queen Village

Level 2: Confirmed Cases in Community	Action	Responsibility
	1.3 Police concentrate on vehicle stops and other access locations to community to reduce non-resident attendance.	Police - educate and advise non-residents that aren't essential workers that Brewarrina is a high-risk Community. Discourage non-essential travel into the community
2. Community Information	**2.1** High-risk people advised to remain at home (e.g. those over 50 or those with other existing medical conditions). **2.2** Further re-enforcement of hygiene practices and social distancing through flyer drop, social media and community leaders	LALC/Community Leaders/Health – Continuing messaging to high risk people. Health – Register of high-risk patients being complied. LALC/HEALTH/Police – Messaging to Community via CAP members networks, social media and local media
3. Isolation of patients	**3.1** If able to isolate in community, then self-isolation to take place.	Health – Public Health Unit – Provide client with information and guidance about self-isolation at home In the first instance, self-isolation will occur at home. Generally, in a positive case the other residents of the home will be close contacts and will also need to self-isolate. Food delivery will be arranged by the isolating person via grocery delivery or family and friends dropping off food at their front door. Daily medical checks will be made as well as Police checks to ensure compliance of the self-isolating direction. A basic food pack of non-perishable items that will last 14 days can be arranged. This is

Level 2: Confirmed Cases in Community	Action	Responsibility
		in circumstances where there is a reason why home grocery delivery is not possible/available. Moving the rest of the family is another option available. There is some accommodation available in the community which may need requalification. Brewarrina Health and Welfare services currently organising
	3.2 If unable to self-isolate in community, but not requiring hospitalisation, then accommodation arranged by health and/or LALC.	If a self-isolation case is unable to stay at home in Brewarrina, accommodation is organised through the Public health Unit. The Brewarrina HSM can organise this if/when it occurs. Initial Booking will be for two (2) days whilst test results are processed. - Negative result – booking ceased – Positive result – booking extended for additional 14 days or until a negative result in returned. Meals will be provided for the duration of the stay in hotel accommodation. Provision for alcohol is prohibited. Public Health Unit – COVID-19 Alternate Isolation Accommodation (AIA) Access. In collaboration with the Online booking system the PHU has establish accommodation links at the following
