YOU'RE THE SKIPPER YOU'RE RESPONSIBLE!

Note: Lit navigation aids exhibit standard flash patterns, unless otherwise indicated.

Note: Some navigation aids shown hereon exhibit a 3 digit identifying number. Please use this number to report faulty navaids or your position in an emergency.

Evans River

Note Land contours are at 10 metre intervals and are courtesy of Land & Property Management Authority.
For detailed land based information refer to Topographic Maps Woodburn 9539-1N & Tabbimoble 9539-1S
Visit www.lpma.nsw.gov.au for further information.

Note: General information such as caravan parks, hotels motels, picnic grounds and public toilets etc. are indicated as a guide only. Not all can be shown in some areas.

Caution: Shallow waters (less than 2 metres deep) can contain seagrass and other sensitive fish habitats, which are at risk of damage from boat propellors.

Please exercise care when navigating or anchoring in shallow waters and avoid damaging or disturbing seagrass beds.

To Gumma Garra Picnic Area

Note: Vandalism of navigation aids is illegal and dangerous as it could lead to serious accidents. Please report incidents of vandalism to the NSW Maritime Info Line on 13 12 56
A penalty applies for interference, damage or mooring against aids to navigation.

Note: Global Positioning System check point as shown by GPS* is in WGS.84 co-ordinates to an accuracy of +/- 5 metres.

Equipment should be checked against this point to determine any gross errors prior to any seaward journey. Depending on equipment, errors of up to 100 metres is not uncommon.

CAUTION: Evans River is shallow particularly upstream of the road bridge.

Note: Bridge clearance heights shown in RED are in metres above mean high water. No skiing or aquaplaning in the vicinity of any bridge.
