SENIORS CARD

welcome here

About Seniors Card

NSW Seniors Card program continues to thrive, with over 1.9 million members and over thousands of businesses offering special offers and discounts.

The Seniors Card program was established to encourage retired and semi-retired seniors in NSW to be active and healthy in all areas of their lives.

Who is eligible for a Seniors Card?

Applicants must sign a statutory declaration that they are:

- 60 years of age or over,
- A permanent resident of NSW; and
- Working no more than 20 paid hours per week.

Senior Savers Card

The Senior Savers Card provides seniors who are working more than 20 hours per week of paid employment (averaged over 12 months) with access to the same business discounts and not yet eligible for the Seniors Card. When Senior Savers Card holders start working less or retire completely, they can then convert to a Seniors Card with the full government transport concessions for retirees.

How to apply

Applying for a Seniors Card and Senior Savers Card has never been easier. Complete the application form which is available on the website nsw.gov.au/community-services/seniors-card or alternatively phone 13 77 88 to complete your application form over the phone with Service NSW.

Getting value from your card

The best way to get value from your Seniors Card is to use the card as often as you can. Keep the Seniors Directory so that you can readily find all those local participating businesses that offer savings whenever and whatever you happen to be doing.

Seniors Card shopping tips

- Look for 'seniors Card welcome here' sign (see below), which is displayed by many participating businesses.
- Ask for the normal quoted price before asking for the Seniors Card discount.
- Ask for the Seniors Card discount.
- Present your Seniors Card at the time of booking or prior to making a payment. Most participating businesses will not give a Seniors Card discount once a transaction or service has been completed.
- Shop around and compare prices before making a purchase – Seniors Card does not guarantee the best price. Your item may be cheaper elsewhere.
- If you shop at a participating business which does not display a Seniors Card Welcome Here feel free to suggest they contact Seniors Card. Seniors Card are happy to provide a sign free of charge, so that more seniors will be encouraged to make purchases.
- If you know of a business that's keen to increase sales, encourage them to join the Seniors Card program as a participating business. Get them to call 13 77 88 or direct them to the Seniors Card website nsw.gov.au/community-services/seniors-card.

About this directory

Terms & Conditions

Discounts can change from time to time at the discretion of a participating business. For the most up to date discount and offers please visit nsw.gov.au/community-services/seniors-card/deals-discounts. Seniors Card discounts cannot be used in conjunction with any other offer (unless otherwise stated). The discounts listed in this directory apply only to Seniors Card/Senior Savers Card members. They do not apply to family members or friends.

A participating business can withdraw from the program at any time and therefore is not required to provide a listed discount. If the offer continues to be listed on the Seniors Card website, then please call the Seniors Card information centre on 13 77 88 and advise them that the offer is no longer available. Seniors Card will then contact the participating business to ensure that listings are always kept up to date.

Participating Businesses

The NSW Government acknowledges the high level of participation by businesses in support of the NSW Seniors Card program. Many new businesses join the program each month. For more information or to obtain a business application form, please visit nsw.gov.au/community-services/seniors-card, email advertising@seniorcard.nsw.gov.au or call 13 77 88.

Disclaimer

Seniors Directory is accurate and up to date at the time of publication, NSW Seniors Card does not accept any responsibility for any errors, omissions, inaccuracies or for changes in the policy or products of participating businesses listed.

The promotions enclosed are brought to you by businesses that offer discounts or special benefits to seniors through the NSW Government's NSW Seniors Card program.

The NSW Government through NSW Seniors Card cannot advise whether the offer, product or service being advertised is suitable or of appropriate quality for your needs, or whether you should seek independent legal, financial or medical advice before it is taken up.

We urge members to read the advertiser's terms and conditions carefully to determine if the product or service is appropriate before making a decision.

If a participating business has committed a material breach of any of the Terms and Conditions or has failed to fulfil its obligations in supply of a product or service, whether intentionally or otherwise, then NSW Seniors Card may suspend or terminate the participating business from the program. This decision will be final and no correspondence will be entered into. NSW Seniors Card reserves the right to decline the participation of any business in the program that it deems inappropriate or does not meet the Seniors Card Participating Business eligibility criteria. This decision will be final and no correspondence will be entered into with regards to these decisions. NSW Seniors Card reserves the right to reject businesses participating in the program and advertising.
