Residents become ill or show symptoms of Covid-19	Self-isolate and inform health	Community members, Health

30/4/2020

Agency	Engagement Activities	Outcome / Issues
NSW Police	Twice daily HVP and community engagement in Toomelah	Rock thrown through window of police vehicle injuring police officer. Commander has spoken with LALC who are also upset with behaviour. Media release issued seeking assistance in identifying offender.

7/5/2020

Agency	Engagement Activities	Outcome / Issues
NSW Police	Twice daily HVP and community engagement in Toomelah	Further rock throwing incident at Toomelah resulting in further damage to police vehicle. Ongoing investigation and working with LALC
NSW Police	Funeral at Toomelah	Family informed police 30 were attending, over 200 in attendance. Social distancing maintained with nil issues. Funeral director indicated he would not participate in further funerals whilst restrictions are in place
HNEH	Social messaging re Stay at Home, Stop the Spread	Continue direct messaging to discrete communities
HNEH	Flu shots administered	Clinics ongoing
HNEH	Mobile testing clinics	Planning underway for mobile vans to attend discrete communities
MPSC	Community library	Sending library packs to persons in isolation and students learning from home.

Level 2: Confirmed Cases in Community

Level 2: Confirmed Cases in Community	Action	Responsibility
Restrictions on Access/Egress increased	<p>Police/Community Members/Health assisting at entrance to community to ensure only residents or essential services enter.</p> <p>Health conducting relevant temperature checks and symptom/Covid 19 questions</p> <p>Police concentrate on vehicle stops and other access locations to community to reduce non-resident attendance.</p>	Police/LALC/Health
Community Information	<p>High-risk people advised to remain at home (e.g. those over 50 or those with other existing medical conditions).</p> <p>Further re-enforcement of hygiene practices and social distancing through flyer drop, social media and community leaders</p>	LALC/Community Leaders
Case Finding	<p>PHU to do active case finding in communities with increased testing</p> <p>Identify and isolate cases, quarantine contacts and offer cultural support</p>	<p>PHU/Goondiwindi Hospital</p> <p>PHU/AHT/Pius/Boggabilla Health Clinic/Goondiwindi Hospital</p>

Level 2: Confirmed Cases in Community	Action	Responsibility
<p>Isolation of patients</p> <p>Things to consider:</p> <ol style="list-style-type: none"> 1. Can case self-isolate in a room by themselves? If they can – then ensure all shared bathrooms and living spaces are cleaned immediately after being used by the case. 2. If they can't self-isolate in a separate room, can they move to a bigger house to increase the distance between each other? 3. HNE can arrange a motel room for the case if this is agreed. <p>If motel room is not suitable then alternative accommodation arrangements will need to be explored with the TBSC and led by the LALC.</p>	<p>If able to isolate in community, then self-isolation to take place.</p> <p>If unable to self-isolate at home or in community, but not requiring hospitalisation, in the first instance HNE Health will explore hotel accommodation options with the family. If this is not a suitable option, then further accommodation will be arranged by support agencies or LALC in collaboration with families.</p> <p>Health to arrange cleaning contractor and maximise hygienic processes upon cessation or quarantine requirements dependent on type of accommodation provided ie. If HNEH provided then health pay, if alternate then not paid by health</p>	<p>Health/LALC/PHU</p> <p>HNE Health, LALC, TBSC</p> <p>HNE Health, private contractors</p>

Level 3: Elimination – virus is not contained

Level 3: Elimination – virus is not contained	Action	Responsibility
Community to self-isolate	<p>Community to self-isolate in their own homes.</p> <p>No external access to community other than health and service professionals</p> <p>School to close</p> <p>Food and essential supplies to be obtained and distributed to individual homes</p> <p>Health care to demonstrate strong co-ordination and priority of patients at risk.</p> <p>Co-ordination of triage area (LALC building) for Ambulance to take patients requiring hospitalisation</p> <p>Police to assist in complete lockdown and restriction of access through roadblock.</p>	<p>Health/LALC</p> <p>Police/LALC</p> <p>Education</p> <p>Health/DCJ</p> <p>Health/DCJ</p> <p>PIUS, HNE AHU, HNE PHU</p> <p>HNE AHU & HNE PHU/LALC/PIUS</p> <p>Police</p>
