Site investigation

Dear neighbour,

A project is underway to relocate Meadowbank Public School and Marsden High School to the Meadowbank Education and Employment Precinct, following the construction of new facilities.

We are writing to inform you of investigation works happening on the former TAFE site on Rhodes Street. Work will include identifying in ground services and further investigation for material that we may need to remove.

The site investigation is expected to be completed by Friday 29 May 2020. Work is scheduled to take place between 7:00am and 5:00pm during weekdays and between 8:00am and 1:00pm on Saturday.

We are here to make sure that work is completed safely and efficiently and we will minimise impacts on the community, including noise, at every opportunity.

If you have any queries relating to this work, please contact us using the contact information below.

Thank you.
