

Application for a Registry Wedding

Marriage Act 1961

Here's what you need to know about planning a Registry wedding...

Getting married with us

From the Wedding Ceremony through to the legal Marriage Certificate, we offer a complete package at an affordable price.

We ensure the legal requirements are covered so you can relax and enjoy your special day.

First, arrange an interview time to lodge your Notice of Intended Marriage (NOIM).

Use our online appointment system at:
www.nsw.gov.au/bdm

At the interview

When you book an interview, we provide you with a checklist of what to send us. This includes your completed NOIM.

We will guide you through the whole process, answer all your questions and make sure your special day runs smoothly.

We can arrange the date and time of your Marriage Ceremony once we receive all the required documents. The ceremony date needs to be at least one calendar month after you lodge your NOIM.

Both parties to the marriage must attend the interview. Each of you must provide:

- an original Passport, or
- a Birth certificate and Photo identification.

If previously married, you must send us original evidence of the divorce, or the death certificate of the deceased partner.
