APPLICATION QUESTIONS

Please insert responses to Questions in the space provided. Follow the guidelines for each question and ensure your answers are clear and to the point. Please keep to the word limits stated for each question.

Question 1

Please list the extent of your current qualifications and experience. (300 - 500 words)

In this question we want to understand your level of trade experience, to help identify how your proposal would enhance your skills.

Question 2

Please provide an overview of aims and objectives of your proposal, including why you have identified your proposed area/s of study as a skill gap in Australia, and the expected practical applications of your intended learnings. (300 - 500 words)

In this question we are looking to understand the reasons for your proposal, it's relevance, purpose and application in Australia.

Question 3

How do you think your proposal will positively benefit the heritage stonemasonry industry in Australia and you at a professional level? (300 - 500 words)

This question seeks to understand the benefits of the Fellowship to you professionally and beyond you as an individual recipient to the wider community

Question 4

Please provide an outline of your proposed itinerary and anticipated costs. (300 - 500 words)

In this question we are looking for you to demonstrate that you have considered the pragmatics (cost, time, distance, language, weather, off season etc) and specifics (course providers / conferences / workplaces/ cultural practices etc) of your proposal. Present your answer as a brief itinerary (based on a nominated number of weeks and approximate time of year), with specific destinations, a comment on their relevance, expected learnings and application in Australia, and likely costs. We don't expect you to have detailed travel plans as yet, however, there is an expectation that you will have identified specific leading practice and skill enhancement opportunities and be able to name them, including associated costs, where these are located, when they are offered, and by whom. You may identify financial support from other sources if relevant to your proposal.

Question 5

How would you share your findings and outcomes upon completion of your Fellowship? (200 words)

By what methods would you promote and disseminate the learnings identified in your Fellowship Report to other stonemasons and influencers in the industry e.g. presentations at conferences etc
