

How to stay COVID Safe at work

Avoid close contact

- Maintain 1.5m distance wherever possible
- Display physical distancing signage
- Ensure physical distance at reception
- Avoid close contact during room service and housekeeping

Cleaning

- Clean high touch surfaces like doors, lift buttons, reception counters
- Regularly clean common areas like bars, dining, gymnasiums, entry foyers

Personal hygiene

- Wash or sanitise your hands often
- Stay home if you are feeling unwell and get tested for COVID-19
