

How to stay COVID Safe at work

Physical distancing

- Maintain 1.5m distance wherever possible
- If you must work close to others, respect their personal space and limit the number of people you have close contact with

Sharing equipment

- Avoid sharing tools or equipment where possible
- If you need to share, wash your hands or use sanitiser before and after use
- Disinfect shared tools or equipment before and after handling

Personal hygiene

- Don't come to work if you're sick
- Call and let your boss know if you feel unwell or have any cold or flu-like symptoms
- Wash your hands or use sanitiser
