

Wedding packages *handpicked for you*

The NSW Government is offering a seamless registry wedding experience at one of its most popular Sydney venues. You can have both your wedding ceremony and your reception at Handpicked Cellar Door in historic Chippendale.

This new combined service provided by the Registry of Births, Deaths and Marriages working with the team at Handpicked Cellar, means you can focus on planning an unforgettable wedding day instead of worrying about multiple bookings and making lots of decisions.

Handpicked Cellar Door is a former brewery brought back to life as an urban cellar door. It's a spacious, light-filled venue with floor-to-ceiling windows and exposed brick walls in a lively heritage streetscape.

Let Handpicked look after you and your guests with a special wedding package that includes wine, food and VIP service.
