

Row Safe

When Rowing You MUST

Row on the right

- Where possible row outside the channel
- Don't row in the centre of the channel or river

Display light(s) at night

- 2 x white lights, one mounted at each end of the craft for visibility from all sides, between sunset and sunrise

Keep a proper lookout

- Use your eyes and ears to keep a good lookout
- Do not get in the way of large vessels, ferries or rivercats
- Take care when entering or crossing channels

**ALL REGULATIONS FOR AVOIDING COLLISIONS APPLY.
ROWING CODE OF CONDUCT CONTAINS MORE INFO.**
