

Map of Upper Parramatta River Area

NOTE:
 Personal water craft and kite surfing are banned from operating on all waters of Sydney, Middle and North Harbours, Parramatta and Lane Cove Rivers.

Sailboarding and parafly are prohibited in main shipping channels, near mooring buoys and the commercial port area. See Nautical Charts Aus. 197 and 200 and also Transport for NSW Coastal Boating Map No.9 for further information.

Warning: Overhead and Submarine cables and pipes cross these waterways at various locations and are usually indicated by warning notices on the shore. Caution should be exercised at all times while navigating in the vicinity of these crossings.

Depth ranges have been compiled over time from various sources. They are indicative only and should not be relied upon for navigation.

Courtesy moorings are normally marked with a pink buoy and unless other restrictions are specified, are freely available for use by the general boating public with vessels under 20 tonnes for up to 24 hours.

Emergency moorings are normally marked with a blue buoy and are used by Transport for NSW staff or the Police to store vessels in emergencies. These moorings are not for general public use.

Lit or unlit yacht rounding marks (YRM) may exist in this waterway. Symbols are shown on the map do not necessarily reflect actual shapes, colours and/or location of the marks used by individual yacht clubs.

The extents of seagrass beds that may appear on the map have been sourced from NSW Department of Primary Industries (Fisheries).
