Case Finding	<p>PHU to do active case finding in communities with increased testing</p> <p>Identify and isolate cases, quarantine contacts and offer cultural support</p>	<p>PHU/Grafton Hospital</p> <p>Clarence Valley Council – report on sewage testing results - ongoing</p>
<p>Isolation of patients</p> <p>Things to consider:</p> <ol style="list-style-type: none"> 1. Can case self-isolate in a room by themselves? If they can – then ensure all shared bathrooms and living spaces are cleaned immediately after being used by the case. 2. If they can't self-isolate in a separate room, can they move to a bigger house to increase the distance between each other? 3. NNSW LHD can arrange a motel room for the case if this is agreed. <p>If motel room is not suitable then alternative accommodation arrangements will need to be explored with the CVC and led by the LALC.</p>	<p>If able to isolate in community, then self-isolation to take place.</p> <p>If unable to self-isolate at home or in community, but not requiring hospitalisation, in the first instance NNSW Health will explore hotel accommodation options with the family. If this is not a suitable option, then further accommodation will be arranged by support agencies or LALC in collaboration with families.</p> <p>Health to arrange cleaning contractor and maximise hygienic processes upon cessation or quarantine requirements dependent on type of accommodation provided ie. If NNSW provided then health pay, if alternate then not paid by health</p>	<p>Health/LALC/PHU – food boxes to be arranged by AMS, Police checks to ensure compliance</p> <p>NNSW Health, LALC, CVC</p> <p>NNSW Health, private contractors</p>
