Program Guide 2021/22

The NSW Government offers grants to communities across NSW to support the building, renovation and fit-out of community infrastructure. Funding is available for sport and recreation facilities, arts and cultural infrastructure, as well as projects that assist communities with essential infrastructure and disaster readiness.

Infrastructure Grants are made possible by reinvesting a portion of gaming machine profits from the state's registered clubs, known as the Clubgrants Category 3 Fund.

Infrastructure Grants can be used for costs such as construction, the purchase of capital equipment and professional fees. Examples of projects range from local sports ground facilities, public swimming pools, children's

play areas, museums, art galleries, theatres and upgrades to evacuation centres, or community welfare infrastructure that supports youth, mental health or homelessness services.

The Infrastructure Grants process is competitive. Each year the program receives more applications than can be supported and in some instances partial funding may be offered.

To ensure your funding request has the best chance of success, it is a good idea to familiarise yourself with the program information and review the application form before you apply. For more information visit nsw.gov.au/grants-and-funding/responsible-gambling-grants

Message from the Minister for Customer Service

I am pleased to present the latest round of Infrastructure Grants for 2021/2022.

As the Minister for Customer Service I am responsible for putting the customer at the centre of everything we do.

Infrastructure Grants are made possible by the Clubgrants Category 3 Funds, which reinvests profits from gaming machines into community projects.

Funding is available in four key categories:

- Arts & Culture
- Community Infrastructure
- Disaster Readiness
- Sport & Recreation

Since 2013, the NSW Government has funded over 430 community projects worth \$95 million. This year we will commit \$12.5 million to support projects that will promote healthy lifestyles, enrich arts and cultural assets, fund essential infrastructure and assist communities to prepare for local emergency situations.

Further information is available on the Office of Responsible Gambling website at nsw.gov.au/grants-and-funding/responsible-gambling-grants

I encourage you to consider ways an Infrastructure Grant can help develop and improve your community facilities and look forward to supporting new and exciting projects that will make significant, long term contributions across NSW.

The Hon Victor Dominello MP

Central West Livestock Equestrian Centre (Blayney Shire Council)
Sport & Recreation

When to apply for a grant

There will be three grant rounds available during 2021/22. Applicants may apply once per round.

July 2021

- **Opening:** Monday 5 July 2021
- **Closing:** 11:59pm (AEST)
Monday 26 July 2021

November 2021

- **Opening:** Monday 1 November 2021
- **Closing:** 11:59pm (AEDT)
Monday 22 November 2021

March 2022

- **Opening:** Tuesday 1 March 2022
- **Closing:** 11:59pm (AEDT)
Thursday, 31 March 2022

We will continue to give priority to bushfire and drought affected communities.

Arts & Culture

Application Guidelines

Funding available

Infrastructure Grants can be used toward the costs of construction, alteration, renovation, completion and fit-out of buildings and community infrastructure in the following categories:

Arts & Culture

\$50,000 to \$200,000 available per project

Community Infrastructure

\$10,000 to \$200,000 available per project

Disaster Readiness

\$10,000 to \$200,000 available per project

Sport & Recreation

\$50,000 to \$300,000 available per project

Eligibility

To be eligible for funding, applications must meet all of the following conditions:

Funding range

Must be for an amount within the funding range for each category.

Location

Built and community infrastructure based in NSW.

Applicant

Submitted by a not-for-profit organisation with an ABN that is responsible for operating and/or maintaining the infrastructure.

Benefit

Infrastructure that is accessible and available to the general public the majority of the time.

Red Door Hall
(Southcoast Health and Sustainability Alliance)
Community Infrastructure

Purpose

Infrastructure related to Arts & Culture, Community Infrastructure, Disaster Readiness or Sport & Recreation.

Development status

Infrastructure works with Development Approval (including a Heritage Impact Statement and/ or an Indigenous Land Use Agreement if relevant) or written exemption.

Financial contribution

Local government applicants are required to cash-match the funding amount requested.

Process

Submitted using the online application form available from the Office of Responsible Gambling website.

Please note

- Schools are eligible to apply however, applicants must consider if and how the infrastructure project is accessible to the public outside school hours.
- If your group does not meet the applicant eligibility conditions, please contact the Office of Responsible Gambling Grants team for approval to use an auspice organisation. An auspice organisation may apply on your behalf and is responsible for managing the funding if the application is successful.
- If you submit an application that is not eligible, you will be notified within a fortnight of the grant round closing. This will give you time to address ineligible matters and reapply in a subsequent round.
- Generally, a not-for-profit is an organisation that does not operate for the profit, personal gain or other benefit of particular people (for example, its members or shareholders). The definition of not-for-profit applies both while the organisation is operating and if it closes down. For more information, visit the Australian Charities and Not-for-profits Commission website: acnc.gov.au/for-charities/start-charity/not-for-profit

Process

How to apply

You will need to complete an online application to apply for an Infrastructure Grant. The online application form can be accessed from the Office of Responsible Gambling website at nsw.gov.au/grants-and-funding/responsible-gambling-grants

Applicants and projects are limited to one application per grant round. Unfortunately late submissions cannot be accepted as the process for determining funding allocation commences immediately after the closing date for each round. If you miss a closing date, you can always submit your application in a future round.

Applicant tips, frequently asked questions, a sample application form and lists of previously funded projects can be accessed from our website at any time to help with your preparation to submit an application. If you plan to apply, you should aim to have the following documents ready:

1. Information to be included in the online application form.
2. Development Approval certificate or reference number, or evidence of exemption.
3. Up to three letters demonstrating community support for the proposal. Letters should be from community groups who will directly benefit and engage with the planned infrastructure project. Letters from government employees or representatives are not considered eligible support material. Additional material will be deemed as not eligible.
4. If you are leasing the property, evidence you have approval from the property owner to undertake the proposed works.

How funding is decided

Applications are assessed by subject matter experts against the following four criteria:

Merit

They consider to what extent the project:

- has a clear vision
- will provide high quality public and/or social outcomes
- includes implementation strategies for evaluating and measuring results
- introduces needed facilities or will enhance the usage of existing facilities.

Engagement

They consider to what extent the project:

- has strategies for ongoing engagement of the community, participants and/or audience
- considers the needs and expectations of targeted groups and community, and identifies how these needs will be met
- provides capacity building within the relevant sector in NSW
- supports employment or includes the involvement and development of volunteers.

Viability

To assess the viability of a project, they consider to what extent the project:

- is well-planned with appropriate approvals and risk management in place
- has realistic timelines to complete within two years
- will be delivered by an organisation with appropriate administration, management and governance expertise and financial stability
- has strategic partnerships and collaborations across the sector
- has secured future operations and maintenance plans.

Wade Park Indoor Cricket Centre (Orange City Council)
Sport & Recreation

Budget

To assess the budget they consider to what extent the project:

- has a detailed and accurate budget
- provides value for money and is realistic for the scale and impact of the project
- demonstrates an appropriate use of public funds
- includes diversified income from other sources and own contributions
- includes the appropriate provision for contingencies
- includes insurance and other liabilities
- Includes quotes where possible.

Priority Framework

When making funding decisions, consideration is also given to applications which provide benefit to:

- Aboriginal and Torres Strait Islander communities
- areas likely to have higher rates and impacts of gambling harm
- bushfire affected communities
- communities experiencing the adverse effects of drought
- culturally and linguistically diverse communities
- people with disability
- regional and remote communities.

The Orchard (Housing Plus)
Community Infrastructure

Once a decision is made

After the assessment process is completed, applicants are notified of the outcome of their application by email. Details of successful applicants are also published on the Office of Responsible Gambling website.

Applicants that are not successful may apply for feedback. There are no appeals under the Infrastructure Grants Program, instead applicants can use the feedback to update their applications and reapply in a future round.

Funding obligations

If you are approved for funding you will be required to sign a Funding Agreement that covers your obligations including:

Timing

Completing your project within two years of the funding commencing.

Insurances

Holding a minimum Public Liability Insurance cover of \$10 million and all relevant insurances for the project works and day-to-day operations.

Publicity and signage

Ensuring that any media opportunities, speaking engagements and signage relating to the grant or project are discussed with, and approved by the Office of Responsible Gambling prior to the event or publication. The NSW Government Funding Acknowledgement Guidelines apply: nsw.gov.au/branding/sponsorship-and-funding-acknowledgment-guidelines#toc-funding-acknowledgement-for-infrastructure-and-capital-works

Reporting and monitoring

Submitting mandatory project progress reports on a six-monthly basis and a final acquittal report when the project is complete.

The Office of Responsible Gambling may conduct spot checks as required to evidence the delivery of the project.

Variations

You must contact the Office of Responsible Gambling to seek approval before making any significant changes to your project. Following this discussion, staff will advise you if a formal variation request needs to be submitted.

Information provided in grant applications is confidential and will not be shared outside of the assessment process.

Support

Accessibility

The Office of Responsible Gambling can provide grant information and application forms in accessible formats on request. Formats include word documents, audio disk and large print. We also accept applications in accessible formats.

If you need material translated, please contact Office of Responsible Gambling and allow three weeks for the supply of transcribed material.

Help from staff

The Office of Responsible Gambling Grants team can give you advice and information on the Infrastructure Grants program. While staff cannot help directly with your application, they can help clarify guidelines and point you in the direction of past funding precedents. The team does not assess applications and to maintain a fair and equitable process, staff are unable to edit or correct any applications.

In certain circumstances, staff are also available to provide feedback on unsuccessful grant applications. Contact the team for information.
