

This document outlines the conditions of holding an interlock driver licence and must be completed as part of an application for an interlock driver licence. In order to participate in the NSW Mandatory Alcohol Interlock Program, you must sign and submit this form along with a completed 'Medical Consultation Certificate' signed by a medical practitioner and a completed 'Interlock Installation Certificate' signed by an accredited interlock service provider.

To complete this document:

- STEP 1** Carefully read each requirement for interlock driver licence holders and initial each requirement.
- STEP 2** Ask a Service NSW centre officer to complete the required information and dates on the back of this form.
- STEP 3** Sign the declaration and give the completed form to the Service NSW centre officer, together with your completed 'Medical Consultation Certificate' and completed 'Interlock Installation Certificate'.

Participant to initial each statement in the column on the right	Initial
I acknowledge that I have received and read the 'Alcohol Interlock Program Participant Guide'. I agree to comply with the conditions of the program. In particular:	
1. I can only drive a motor vehicle when I have a zero blood alcohol concentration.	
2. I must only drive a motor vehicle that has fitted to it an approved interlock device installed by an accredited interlock service provider.	
3. I understand that if I drink and drive I may be charged with an offence punishable by a fine and/or a term of imprisonment.	
4. I understand that, regardless of the blood alcohol reading on my interlock device, it is an offence for me to drive with a blood alcohol concentration above zero.	
5. I must not drive a motor vehicle loaded or partly loaded with a placard load within the meaning of the Dangerous Goods (Road and Rail Transport) Regulation 2022.	
6. I must submit a form to Transport for NSW to nominate a vehicle suitable for the licence class(es) and licence type that I hold.	
7. I must ensure that an interlock device is installed in at least one vehicle that I have nominated at all times.	
8. I must ensure that the interlock device installed in any motor vehicle nominated by me is maintained in accordance with the servicing requirements of Transport for NSW.	
9. I understand that either removing my interlock device or failing to meet the servicing requirements may result in my licence being suspended or cancelled.	
10. I must not drive any motor vehicle in which an approved interlock device is installed if the device is not functioning properly, or if any features of the device (including any driver identification features) have been circumvented or interfered with.	
11. I must not drive any motor vehicle in which an approved interlock device is installed if any breath sample required to start or operate the vehicle is provided by another person.	
12. I must not interfere with, or cause or permit any person (other than an agent of an accredited interlock service provider installing, maintaining or removing the interlock device) to interfere with the proper operation of the interlock device.	
13. I must not refuse to allow a police officer to inspect an interlock device fitted to a motor vehicle.	
14. I must bear all costs associated with installing, servicing, maintaining and removing the interlock device unless Transport for NSW provides me with written confirmation that financial assistance will be provided to me for a limited period.	
15. I understand that the approved interlock device is programmed to electronically record all information, including blood alcohol levels, attempts to start or tamper with the vehicle, running retests and personal information, including photographic images of the person providing any breath samples and driving the vehicle.	
16. I give permission for Transport for NSW (or such persons as may be nominated by it) to use data or information recorded in the NSW driver licence register for the purposes of researching or evaluating the Alcohol Interlock Program.	
17. I give permission for Transport for NSW (or such persons as may be nominated by it) to collect data or information in respect of an interlock driver licence holder from an accredited interlock service provider, including information collected by an approved interlock device, for the purposes of administering the Mandatory Alcohol Interlock Program.	
18. I acknowledge that Transport for NSW may provide my personal information held by it in relation to the Mandatory Alcohol Interlock Program to accredited interlock service providers to enable them to exercise functions with respect to the provision of interlock services.	

19. I am aware that, throughout my participation in the Mandatory Alcohol Interlock Program, my personal information may be electronically stored by the accredited interlock service providers in jurisdictions outside of Australia.
20. I am aware that Transport for NSW may consider any relevant data or other information collected by an approved interlock device installed in the motor vehicle nominated by me when considering whether to require me to undergo a medical assessment before varying my interlock driver licence.
21. I am aware that, if my driver licence is suspended or cancelled during the interlock period, the interlock condition on my driver licence will be extended for the period of time equal to the period of suspension or cancellation.
22. I am aware that Transport for NSW may take licensing action if I remove the interlock device before completing the Mandatory Alcohol Interlock Program or if I fail to complete the program.
23. I am aware that Transport for NSW may retain the interlock condition on my driver licence if recommended by a medical practitioner following an assessment of my fitness to drive.
24. I understand that if I do not renew my interlock driver licence before it expires my participation in the Mandatory Alcohol Interlock Program for the period during which my licence was expired will not be counted towards my interlock period.
25. If I cease to hold an interlock driver licence before completing my interlock period:
- I may be disqualified from holding a driver licence, other than a learner licence or interlock driver licence, until five years have passed since the date of my conviction, or
 - Transport for NSW may refuse an application for any licence without an interlock condition.

Customer Service Representative (CSR) to complete the following details

You are required to participate in the Mandatory Alcohol Interlock Program and hold an interlock driver licence for the following period ("the applicable interlock period"):

From:

day	month	year
-----	-------	------

For a minimum of:

months /	years
----------	-------

The earliest possible date that you may complete the Mandatory Alcohol Interlock Program and reapply for a driver licence without an interlock condition, based on uninterrupted participation in the Mandatory Alcohol Interlock Program and without any extension of my interlock period, is:

Or until:

day	month	year
-----	-------	------

Declaration to participate in the Mandatory Alcohol Interlock Program

- I acknowledge that I will participate in the Mandatory Alcohol Interlock Program for the applicable interlock period, plus any time during which my interlock period is extended.

PRIVACY STATEMENT

We are collecting your personal information and, where relevant, health information ("information") in connection with the alcohol interlock program ("the program"). You are required to provide this information under the Road Transport (Driver Licensing) Regulation 2017 (NSW). We may disclose your information in order to assess your application or verify the information you provide or your compliance with the program. We may also share your information with approved interlock service providers and persons who provide services to approved interlock service providers and for the purpose of the evaluation of the program and research into the program. Otherwise we will not disclose your information without your consent unless authorised by law. Your information will be held and managed by Transport for NSW in accordance with the *Privacy and Personal Information Protection Act 1998* and the *Health Records and Information Privacy Act 2002*. To access or amend your information please use the access and amendment application forms available at transport.nsw.gov.au/about-us/transport-privacy
