Application for Personal Watercraft Driving Licence

An Application for a Personal Watercraft (PWC) Driving Licence must be submitted to Transport for NSW following successful completion of a PWC knowledge test, when applying to renew a PWC or when applying for a replacement PWC photo card.

All applicants for a PWC Driving Licence must provide acceptable proof of identity documents and have their identity verified by an acceptable signatory. Acceptable signatories are any Police Officer, Justice of the Peace, Judge, Magistrate, Bank Manager, Legal Practitioner, School Principal or Service NSW officer. Initial PWC licence applicants can also have their proof of identity verified by the Authorised Training Provider where the test was successfully completed.
