12. Treatment History

There are fields to provide Transport for NSW with information about how long you have been treating the patient.

**TREATMENT HISTORY**
- First visit
  - When did you first treat the patient?*
  - When did the patient first attend this practice?*
  - Did you have any knowledge of the patient's medical history before undertaking this assessment?*

**RECOMMENDATIONS**
- Meets the medical criteria for unconditional licence - no further review required
- Meets the medical criteria for a conditional licence
- Does not meet the medical criteria for a driver licence - unfit to drive
- Any additional comments on conditions likely to affect driving?*

**DECLARATION**
- Applicant declaration read and accepted*
13. Recommendations

The Recommendations section provides 3 options for you to provide your opinion about the patient’s medical fitness to drive.

• Meets the medical criteria for an unconditional licence – no further review required. This option is only available if your patient has no relevant medical conditions.

RECOMMENDATIONS*

○ Meets the medical criteria for unconditional licence - no further review required

○ Meets the medical criteria for a conditional licence

○ Does not meet the medical criteria for a driver licence - unfit to drive

• Does not meet the medical criteria for a driver licence – unfit to drive. To be used when your patient is temporarily unfit or permanently unfit to continue driving.

RECOMMENDATIONS*

○ Meets the medical criteria for unconditional licence - no further review required

○ Meets the medical criteria for a conditional licence

○ Does not meet the medical criteria for a driver licence - unfit to drive

Permanently Unfit means TfNSW will cancel the driver licence. Temporarily Unfit means TfNSW will suspend the driver licence until further medical clearance is obtained. Please select the duration*

○ Permanently Unfit ○ Temporarily Unfit
14. Recommendations continued

- Meets the medical criteria for a conditional licence. *To be used for a customer with medical conditions that will require ongoing review and/or additional assessments/licence conditions.*

**RECOMMENDATIONS**
