

Paddle safe

Wear a lifejacket

- At all times day and night

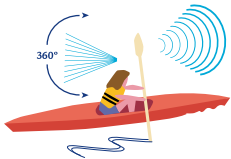

Be prepared

- Know the rules
- Check the weather and tides
- Carry ID and tell someone where you're going
- Check your canoe or kayak and safety equipment

Be aware

- Keep a proper lookout, including behind you
- Look out for larger vessels
- Watch out for vessel wash

Keep safe, stay right

- Avoid paddling in the centre of a channel or river
- Cross behind larger vessels, not in front

Be bright, be seen

- Wear highly visible clothing
- Paddle in a group where possible
- Display an all-round white light and take extra care at night
