

# Let's stay open NSW

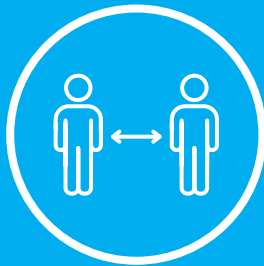

There are simple ways to ensure your business is COVID safe to help protect your staff, customers and business.

**Get tested**

**Wear a mask  
where required**

**Distance and  
density limits**

**Hygiene  
practices**

**QR code check-in  
where required**

Review and update your COVID-19 Safety Plan, and follow current Public Health Orders and the latest COVID-19 safety guidelines for your industry.

## **You can also:**

- Encourage cashless payments.
- Ensure staff with any COVID-19 symptoms stay home, get tested and follow NSW Health advice.
- Encourage social distancing with barriers, furniture placement, floor markings and signage.
- Provide hand sanitiser and wash hands often.
- Where possible, use outdoor settings or ensure indoor spaces are well-ventilated.
