Seniors' Stories Volume 8

[The latest volume of Seniors' Stories is here!](#) Seniors' Stories Volume 8 is a collection of 100 stories written by seniors from across NSW.

The NSW Seniors Card introduced the Seniors' Stories writing competition in 2013 as a way of offering a compelling insight into the lives and experiences of the older generation.

This year's theme is 'Celebrating Diversity' and for the first time ever the stories have been published in a mix of English and the author's native languages. Using a mix of wisdom and wit, each story paints a colourful picture representing this year's theme in their own unique and inspiring way.

You can grab a copy of Seniors' Stories Volume 8 at your local library.
