## Welcome to the 2023 NSW Seniors Card Directory

Welcome to the 2023 edition of the NSW Seniors Card Directory, which outlines many opportunities for you to participate in, contribute to and be included in your communities.

The truth is, our oldest citizens are an integral part of our community fabric – the backbone of so many of our voluntary organisations and the affectionate heart of homes, families and neighbourhoods across NSW. As a Government, we honour this by investing in our seniors, and showing how much we appreciate your years of invaluable service to our community.

An important part of this involves helping to ease the cost of living, making it easier and more affordable for seniors to keep making a vital contribution to our state, and doing the things they love.

The NSW Seniors Card program does this by providing opportunities for you to enjoy an active, healthy and socially connected life in retirement with discounts and special offers from more than 6,000 participating businesses across the state.

This program is just one of the NSW Government's many cost-saving initiatives for seniors, which also include energy rebates, medical and health rebates, vehicle registration concessions and other rebates and savings.

You can find more information on all of these programs by contacting Service NSW on 13 77 88, visiting [www.service.nsw.gov.au](http://www.service.nsw.gov.au) or attending your nearest Service NSW centre

I encourage you all to take advantage of the discounts and offers in the 2023 NSW Seniors Card Directory.

**The Hon. Dominic Perrottet MP**  
Premier

# A message from the Minister

## Welcome to the 2023 NSW Seniors Card Directory

On behalf of The NSW Government, I would like to introduce you to the 2023 NSW Seniors Card Directory – your guide to discounts and special offers from thousands of participating businesses across the state.

As the Minister for Seniors, I am fortunate to meet and hear from thousands of you. Our community is stronger thanks to the contributions made by our seniors.

When seniors are active and involved in the community, everyone benefits.

As a Government, we are working hard to ease cost of living pressures for our seniors. One way we do this is by continuing to make the NSW Seniors Card program even better by increasing the number of businesses offering discounts, and providing greater value for Seniors Card and Senior Savers Card holders across NSW.

The NSW Government is determined to ensure people live longer and better than ever before. To support this vision, the *Ageing Well in NSW: Seniors Strategy 2021–2031* is the government's commitment to respond to the opportunities and challenges of our ageing population. We want all people in NSW to live healthy, active and happy lives as they age.

I encourage you to take advantage of the new digital Seniors Card via the Service NSW app on your phone. The digital Seniors Card can be used when you are out and about, you can manage your contact details and find the best discounts near you. Additionally, be sure to stay up to date with the latest discounts by signing up to receive special offers and the Seniors Card EXTRA monthly eNewsletter. You can sign up by contacting Service NSW on 13 77 88, visiting [www.service.nsw.gov.au](http://www.service.nsw.gov.au) or attending your nearest Service NSW centre.

The NSW Seniors Card website ([www.seniorscard.nsw.gov.au](http://www.seniorscard.nsw.gov.au)) and Facebook page also allows you to stay up to date with news, special offers and stories.

Thank you, again, for your contribution to our communities and I trust you find the 2023 edition of the NSW Seniors Card Directory a valuable resource. I hope you unlock the many benefits of your NSW Seniors Card so you can continue to enjoy living long and fulfilling lives.

**The Hon. Mark Coure MP**

# About this directory

## About Seniors Card

2023 will mark the 31st year of the NSW Seniors Card program. It continues to thrive, with over 1.9 million members and over 6,000 businesses offering special offers and discounts.

The Seniors Card program was established to encourage retired and semi-retired seniors in NSW to be active and healthy in all areas of their lives.

## Who is eligible for a Seniors Card?

Applicants must sign a statutory declaration that they are:

- 60 years of age or over,
- A permanent resident of NSW; and
- Working no more than 20 paid hours per week.

## Senior Savers Card

The Senior Savers Card provides seniors who are working more than 20 hours per week of paid employment (averaged over 12 months) with access to the same 6,000+ business discounts and not yet eligible for the Seniors Card. When Senior Savers Card holders start working less or retire completely, they can then convert to a Seniors Card with the full government transport concessions for retirees.

## How to apply

Applying for a Seniors Card and Senior Savers Card has never been easier. Complete the application form which is available on the website [www.seniorscard.nsw.gov.au](http://www.seniorscard.nsw.gov.au) or alternatively phone 13 77 88 to complete your application form over the phone with Service NSW.

## How to use the directory

The NSW Seniors Directory is a “go to” reference guide for seniors containing information on consumer rights, financial and legal issues.

It also features an array of discounts and offers from participating businesses exclusively for Seniors Card holders. There are five 2023 regional directories:

- Sydney & Surrounds
- Central Coast & Hunter
- Southern NSW
- Northern NSW
- Western NSW.

All five directories can be picked up at participating Australia Post outlets, MP Offices, Service NSW Centres, Councils and Libraries. PDF copies of the directories are also available online at [www.seniorscard.nsw.gov.au](http://www.seniorscard.nsw.gov.au).

## Getting value from your card

The best way to get value from your Seniors Card is to use the card as often as you can. Keep the Seniors Directory so that you can readily find all those local participating businesses that offer savings whenever and whatever you happen to be doing.

SENIORS CARD

*welcome here*

## Seniors Card shopping tips

- Look for 'Seniors Card welcome here' sign (see below), which is displayed by many participating businesses.
- Ask for the normal quoted price before asking for the Seniors Card discount.
- Ask for the Seniors Card discount.
- Present your Seniors Card at the time of booking or prior to making a payment. Most participating businesses will not give a Seniors Card discount once a transaction or service has been completed.
- Shop around and compare prices before making a purchase – Seniors Card does not guarantee the best price. Your item may be cheaper elsewhere.
- If you shop at a participating business which does not display a "Seniors Card Welcome Here" feel free to suggest they contact Seniors Card. Seniors Card are happy to provide a sign free of charge, so that more seniors will be encouraged to make purchases.
- If you know of a business that's keen to increase sales, encourage them to join the Seniors Card program as a participating business. Get them to call 13 77 88 or direct them to the Seniors Card website [www.seniorscard.nsw.gov.au](http://www.seniorscard.nsw.gov.au).

## Terms & Conditions

The discount offers listed in this Directory are valid until 1st of December 2023, however, discounts can change from time to time at the discretion of a participating business. For the most up to date discount and offers please visit [www.seniorscard.nsw.gov.au/discounts](http://www.seniorscard.nsw.gov.au/discounts). Seniors Card discounts cannot be used in conjunction with any other offer (unless otherwise stated). The discounts listed in this directory apply only to Seniors Card/Senior Savers Card members. They do not apply to family members or friends.

A participating business can withdraw from the program at any time and therefore is not required to provide a listed discount. If the offer continues to be listed on the Seniors Card website, then please call the Seniors Card information centre on 13 77 88 and advise them that the offer is no longer available. Seniors Card will then contact the participating business to ensure that listings are always kept up to date.

## Participating Businesses

The NSW Government acknowledges the high level of participation by businesses in support of the NSW Seniors Card program. Many new businesses join the program each month. For more information or to obtain a business application form, please visit [www.seniorscard.nsw.gov.au](http://www.seniorscard.nsw.gov.au), email [advertising@seniorscard.nsw.gov.au](mailto:advertising@seniorscard.nsw.gov.au) or call 13 77 88.

## Do you have a disability and need someone with you at all times to go out in the community?

**If yes, you could be eligible for a NSW Companion Card.**

The NSW Companion Card program is for people with significant and permanent disability who have a lifelong need for a high level of care to participate in community events and activities.

The card is issued to people who can demonstrate that they would not be able to participate at most venues and activities without a companion, and that this need is permanent.

The Companion Card allows a person's carer free entry into participating venues and events.

To be eligible for a NSW Companion Card, the applicant must:

- Be an Australian citizen or resident, and live in NSW
- Have a significant and permanent disability
- Demonstrate that, due to the impact of their disability, they would be unable to participate at most community venues or activities without attendant care support
- Demonstrate that the use of aids and other technologies does not meet their attendant care support needs
- Demonstrate that their need for this level of attendant care will be life-long.

For more details or to apply visit the website [www.nsw.gov.au/companioncard](http://www.nsw.gov.au/companioncard) or call and speak to one of the team on **1800 893 044** between 9–4pm Monday to Friday.

# Seniors' Stories

**Seniors' Stories was first introduced in 2013 as a way of recognising and valuing the experiences of NSW seniors, as well as showcasing their talent.**

Seniors' Stories is a collection of 100 stories written by seniors from throughout NSW.

These stories illustrate the substantial contributions made by older people and emphasise the need to ensure seniors are afforded ongoing opportunities to participate in our community and impart their knowledge and wisdom to younger generations.

The Seniors' Stories short story writing competition is held each year and is open to all NSW Seniors Card and NSW Senior Savers Card holders.

To view and download previous editions and to listen to the audio book versions, please visit [www.seniorscard.nsw.gov.au](http://www.seniorscard.nsw.gov.au)

All volumes can be viewed and downloaded on the NSW Seniors Card website

# RSPCA NSW SENIORS FOR SENIORS

An animal can make all the difference in life between feeling lonely and blue, to having a best friend around to love and hold.

They bring an array of health benefits, help provide routine, purpose and sociability.

If you're thinking of bringing an animal into your home, RSPCA recommends adopting an older animal, and our Seniors for Seniors program offers just that.
