Prescribed entities under the Local Government Act:

Portal	Scheme
<u>Local Government Procurement (LGP)</u>	<p>Being an Approved Contractor represents a business relationship between LGP and the appointed supplier. Some of the benefits of being an Approved Contractor are:</p> <ul style="list-style-type: none"> • LGP’s endorsement as an approved contractor for the local government sector • Not having to respond to multiple tenders thus making it easier to do business with local government • Shortening the timeframe between quotation and purchase – promoting more efficient partnerships with councils • Promotional support from LGP through ongoing communications, face to face contact and promotional initiatives • Standardised Terms and Conditions – giving consistency across a broad market • Access to LGP publications and events – supporting targeted exposure to your local government marketplace • High quality contractual protection – minimising the risk of dispute • Compliance with local government purchasing regulations – giving greater protection to both you, the supplier and council.
