It does not include internal meetings held by Ministers with other Ministers, ministerial staff, Parliamentarians or government officials (whether from NSW, or other Australian jurisdictions, or foreign governments), or strictly personal, electorate or party political meetings. It does not include attendance at public or social functions or events. Information (such as that above) will not be disclosed about meetings where there is an overriding public interest against disclosure under the *Government Information (Public Access) Act 2009* (for example, where the information is market sensitive or commercial-in-confidence).
