

CLAIM FOR COMPENSATION

[What follows after these parentheses is Form 2 and is for use from the date specified in the relevant notice of gazette publication, until superseded.] If you wish to claim compensation for the compulsory acquisition of your interest in land, you will need to make a claim for compensation using this form. Compulsory acquisition of land is a significant matter and you may wish to seek legal, valuation or other independent advice when completing this form.

The Proposed Acquisition Notice (PAN) will specify the period of time within which the Acquiring Authority requires you to return this form. You will have a minimum of 60 days from the date you receive the Acquiring Authority's PAN to submit the completed claim for compensation form to the address below, or directly to the Valuer General at Just_Terms@property.nsw.gov.au. A valuer acting for the Valuer General will then contact you to discuss your compensation claim.

If you are entitled to compensation, the Valuer General will determine an amount of compensation for you whether or not you submit a claim (provided that the Acquiring Authority or the Valuer General is aware that you hold an interest in the land). However, making a claim will help to ensure that your views on compensation, including any issues or concerns you have, are considered by the Valuer General.

It is an offence under Part 5A of the *Crimes Act 1900* to make a false or misleading statement in this form.

You are required to complete a Statutory Declaration at the end of this form declaring or affirming that the information you provide in this form is correct. The Statutory Declaration must also be signed by an authorised witness, being a person referred to in section 21(1) of the *Oaths Act 1900*. These persons are the Registrar General, a Deputy Registrar General or any Justice of the Peace, notary public, commissioner of the court for taking affidavits, Australian legal practitioner authorised by section 27(1) of the *Oaths Act 1900* to take and receive any affidavit, or other person by law authorised to administer an oath.

This form consists of the three Parts.

- **Part A** must be completed by the Acquiring Authority.
- **Part B** must be completed by the Acquiring Authority. You should check that the Acquiring Authority has completed Part B correctly and note any corrections on the form.
- **Part C** must be completed by you, the claimant.

PART C

TO BE COMPLETED BY THE CLAIMANT (THE PERSON CLAIMING COMPENSATION)

1. CLAIMANT'S INTEREST IN THE LAND

An "interest" in land is defined in the *Land Acquisition (Just Terms Compensation) Act 1991* (the Act). This includes where a person owns the land and is recorded on the title to the land as the "registered proprietor". However, there are many other ways a person can have an interest in land, including as the mortgagee of the land (for example, a bank that has lent money to the registered proprietor to buy the land and has a mortgage as security for the loan repayment), as a tenant occupying the land under a lease or as a person with the benefit of an easement (for example, a neighbour with registered access rights over the land).

Please tick the box that describes your interest in the land.

Registered proprietor of the land

A registered proprietor is the owner of the land and is recorded on the title to the land.

Mortgagee

A mortgagee is a bank, financial institution or other person that has lent money to the registered proprietor of the land (or has refinanced a loan) and has a mortgage as security for the loan repayment.

Lessee

A lessee is a person (including a residential tenant) who leases the land or a building on the land from the registered proprietor.

Licensee

A licensee is a person (who is not a lessee or residential tenant) with permission under licence or other agreement to occupy or use land. Please note that in most instances a licence is unlikely to be an "interest" in land as defined in the Act.

Other

If your interest in the land to be acquired does not fall into the above categories, please outline your interest below.

If you ticked the box "Other" please provide full details of your interest in the land.

For example, you may have an easement for access, the benefit of a restriction on the use of the land, or interest under a Contract for Sale and Purchase of Land.

Is your principal place of residence located on the land?

Yes

No

NOTE that if your interest is not registered on the title to the land, you will need to provide written evidence or other proof of the interest claimed. This evidence may include copies of signed documents to show a legally valid interest.

2. ARE YOU AWARE OF ANY OTHER PERSON WHO HAS AN INTEREST IN THE LAND?

Please note that a “person” may include an individual, a corporation or other entity.

PLEASE TICK THE APPROPRIATE BOX

Yes. Please proceed to question 3.

No. Please proceed to question 4.

Please include details of both registered and unregistered interests in the land to be acquired. Please do not assume the acquiring authority will know of other interests in the land.

For example:

- A purchaser under a signed, but not yet settled contract to purchase the land.
- A person who has agreed to lease the land or a building on the land but does not occupy the land or building until the land is subdivided or building fit-out is completed.
- A person occupying the land or building on the land without a signed lease or agreement, or even if there is a signed document, it is not registered on the title to the land.
- A person with a right to access the land even though it is not registered on the title to the land.
- A person or corporation under a mortgage which is not registered on the title to the land.

4. AMOUNTS CLAIMED

The Valuer General will determine the amount of compensation to be offered to you for the compulsory acquisition of your interest in the land or the acquisition of the new interest in the land.

Section 55 of the *Land Acquisition (Just Terms Compensation) Act 1991* (the Act) sets out the relevant matters to be considered by the Valuer General in determining the amount of compensation*. You should consider each of the following heads of compensation and, where appropriate, indicate the amount claimed.
