Health
Justice Health &
Forensic Mental Health Network

Welcome to The Forensic Hospital.

The Forensic Hospital is an integral part of the Forensic Mental Health Network.

The Forensic Hospital, Malabar is a 135 bed high secure mental health facility for male and female adults and adolescents.

Patients cared for within the facility include:

- those that have been found not guilty by reason of mental illness
- those found unfit to plead
- those transferred from Corrective Services NSW and Juvenile Justice for involuntary mental health treatment; and
- patients with complex and challenging mental health needs referred by other local health districts.

MISSION STATEMENT

The mission of the Forensic Hospital is to provide the highest standard of specialist mental health care to mentally ill patients who have been in contact with the criminal justice system and high risk civil patients, while maintaining the safety of patients, staff and the community.

VISITS

As part of the security arrangements and conditions for entering the Forensic Hospital, all visitors must apply and gain formal access approval.

Step 1: APPLYING TO VISIT THE FORENSIC HOSPITAL

Any enquiries regarding professional visitor access to the Forensic Hospital, should be directed to the PA to the Service Director, by calling (02) 9700 3153, between the hours of 9:00am – 3:00pm, Monday to Friday.

All new visitor applications must state the appropriate business purpose, proposed date and time for the visit and submit a written request for approval to the Service Director (see contact details).

Step 2: THE APPROVAL PROCESS

Once a request for a visit is received by the Forensic Hospital security and administrative checks will take place before approval can be granted. Once granted, approval will be advised by a nominated Forensic Hospital representative. The Forensic Hospital requires a minimum of two business days turn-around for the initial approval and one business day notice of any subsequent visit bookings. Approval for each visit is not automatic and visits may be cancelled at anytime due to clinical and / or security reasons.

Step 3: YOUR FIRST VISIT

Please arrive at the Secure Foyer of the Forensic Hospital at least 30 minutes before your approved visit time for biometric registration and identification checks to be completed. To gain access, each visitor will be required to present individual acceptable Proof of Identity (POI) and complete the visitor biometric registration process.

a) Provide acceptable proof of identity (POI)

- Visitors to the Forensic Hospital must provide suitable evidence of their identity.
- Visitors must provide at least one type of Primary Identification documentation containing current photo and residential address (Passport and/or Driver's Licence are preferred).

OR

- Three forms of Secondary Identification document, one showing the person's current residential address.

NB: Your name should be the same on both acceptable POI documents.

Additional identification requirements for visiting Legal Practitioners

- A current practicing certificate issued under the Legal Profession Act 2004 (NSW) and be currently practicing in NSW, or
- A current practicing certificate issued under the Legal Profession Act 2006 (ACT) and be currently practicing in the ACT, or
- A current valid identification card issued by the governing body of an identified legal profession:
 - Law Society identity card, or
 - Bar Association identity card, or
 - Legal Aid identity card.

ACCEPTABLE PROOF OF IDENTITY (POI)

'Primary Identification'

(one form of primary identification):

- Current photo driver licence issued by an Australian State or Territory
- Any current photo identification issued by an Australian Government Department or Authority
- International Travel Document (e.g. a current Passport).

OR

'Secondary Identification'

(Three forms of secondary identification with at least one showing current residential address):

- A current Medicare card
- Public Utility records (electricity, gas, water or telephone accounts) issued within the last six months of the date of the intended visit
