

# Webbs Creek Ferry: Temporary closure to replace ferry on Tuesday 18 June

## Webbs Creek Ferry Service

June 2024

Transport for NSW acknowledges the Darug people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is taking Ferry 45 out of the river for major maintenance. This is needed to make sure that the ferry servicing the Webbs Creek community is safe and reliable.

### What work are we doing?

To ensure that the community has a safe and reliable ferry service, we are taking Ferry 45 out of the river to do important safety checks and maintenance.

This is done every three years and the checks will take around 10 weeks.

We will be putting Ferry 26 into the river as a temporary replacement until Ferry 45 returns after the checks and maintenance are complete.

This maintenance work is important to ensure the safety of Webbs Creek Ferry users and staff.

### When and where we'll be working

To safely swap the ferries, the Webbs Creek Ferry service will be closed from **9.30am to 2.30pm on Tuesday 18 June**.

Work hours have been scheduled to avoid weekends, school hours and peak hours to reduce disturbance to community members travelling to and from work or school.

The ferry service will remain open during other hours.

### What will this mean for you?

Motorists seeking to cross the river from **9.30am to 2.30pm on Tuesday 18 June** will need to take a detour to the south, via St Albans Bridge adding an extra **50-minute travel time**.

**Emergency services will also need to use the detour as the ferry will be removed from the river.**

Eastbound road users will detour via St Albans Road, Settlers Road, Wisemans Ferry Road, Old Northern Road to River Road.

Westbound road users will detour via River Road, Old Northern Road, Wisemans Ferry Road, Settlers Road to St Albans Road.

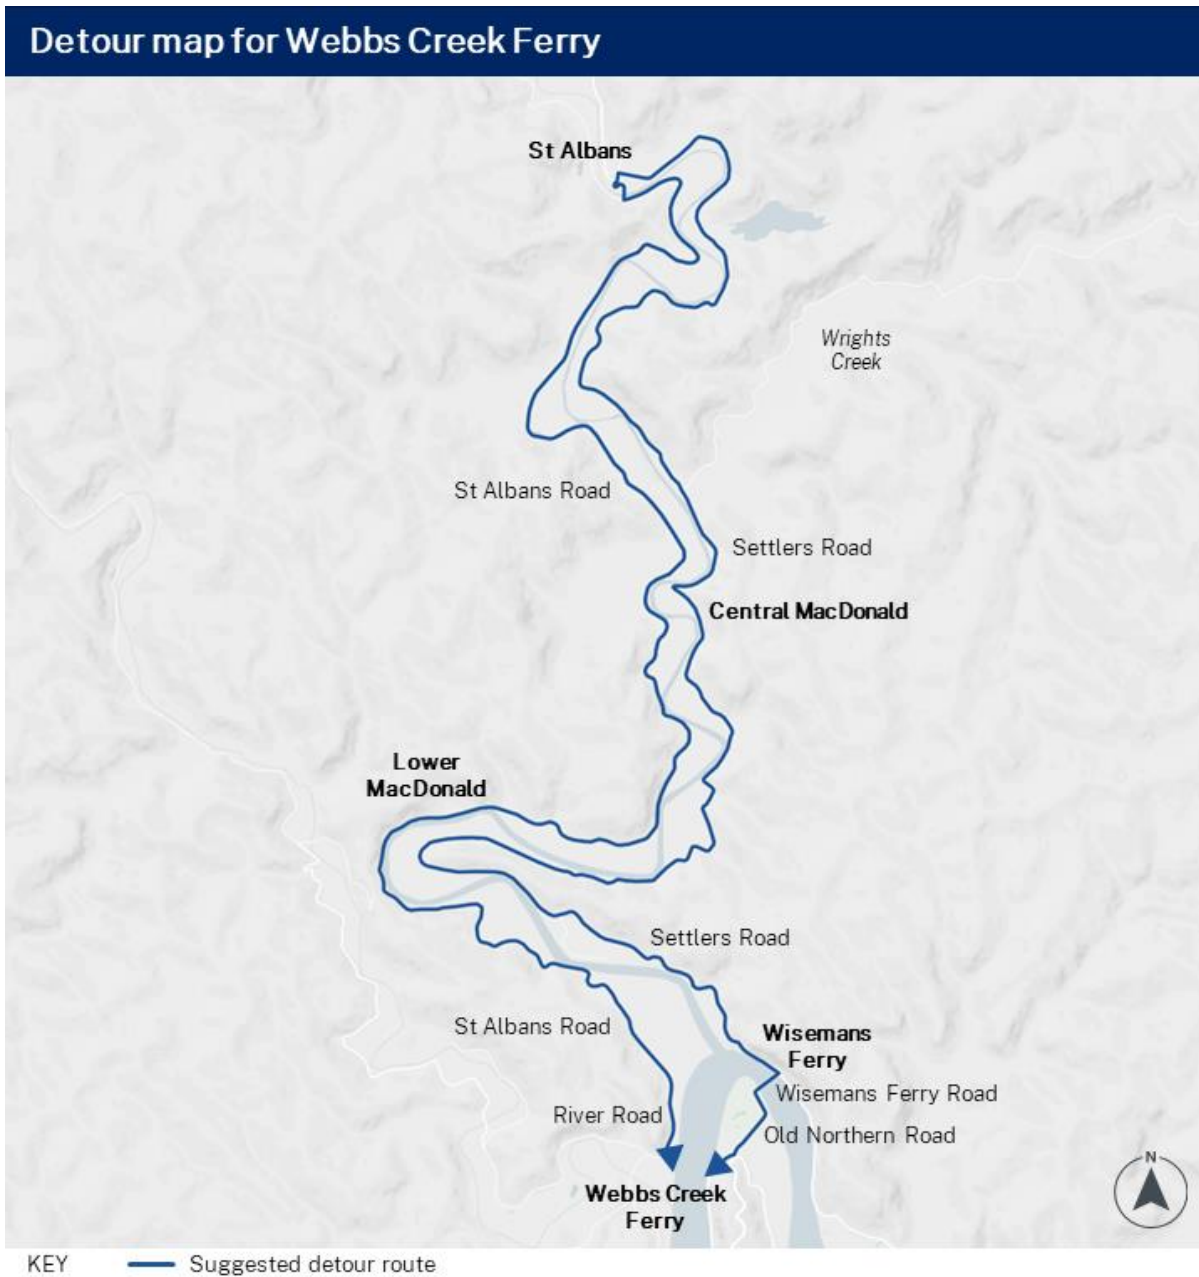

We appreciate this is a significant disruption and we apologise for any inconvenience caused while we carry out this important maintenance work.

### Plan your trip

Please plan your trip and allow extra travel time. Please keep to the speed limits and follow signs and directions.
