Parramatta Light Rail

## Re: Parramatta Light Rail – ER Monthly Report for 1-19 December 2024

APP submits this report to the Secretary in accordance with:

- ▶ Condition A23 (i) of the Conditions of Approval for the Parramatta Light Rail project, ER is to prepare and submit to the Secretary and other relevant regulatory agencies, for information, an **Environmental Representative Monthly Report**, and;
- ▶ As required by the appointment as the approved Environmental Representative (DPIE letter dated 21/8/2018)

The attached summary details the requirements of the monthly report in accordance with the ER Protocol for works during the time period of 1-19 December 2024 for the Parramatta Light Rail project, Stage 1. Parramatta Light Rail Stage 1 commenced operations on 20 December 2024.

This is the final ER monthly report. In accordance with A23 the ER is engaged for the duration of the works until after the commencement of operation.

The report includes information for the following contractors/packages:

- ▶ PCPLR (CPBD) – Infrastructure works
- ▶ GRCLR – SOM

Yours sincerely,

Environmental Representative
