N/A		

Current works/AA Activities

Works have not yet commenced.

The AA has attended multiple Environmental Sustainability, and Environment & Planning meetings.

JHG have commenced contractual process with acoustic consultants for Construction (Renzo Tonin & Associates), and Operation (SLR).

Upcoming works and discussion of risks

No relevant works proposed within next reporting period. Scheduled early February 2025.

Staging activities are focused on enabling works for delivery of a public and active transport bridge across the Parramatta River, including the approaches between Melrose Park (northern) and Wentworth Point (southern).

Site establishment of Melrose Park was earmarked for December 2024, though did not commence.

The AA will inspect the greenfield site on Monday 13th January 2025.

Complaints and consultation

Not applicable, works have yet to commence.

Declaration

I certify that:

- this report has been prepared for NSW Planning, in accordance with the Acoustics Advisor Protocol for SSI 10035 and is accurate at 09/January/2025;
- the proponent has provided me with all the information I requested to allow me to prepare this report; and
- there are no matters that have impaired the objectivity of this report.
