**Request for permission - Consent form for WriteOn 2026**

Dear parent, guardian or carer

Your child has recently participated in the WriteOn 2026 competition and has been selected to progress as a representative for their school.

We are seeking permission for your child's work to be included in the publication *The Best of WriteOn 2026* anthology if they are selected as an overall state winner. This anthology is published in both hard copy printed format as well as in electronic format. It includes the winning students' names and schools, as well as their written entries. A free copy of this anthology will be provided to all whose work is included.

Some entries may also be included in other web publications as work samples for teacher development purposes. In these instances, the entry will be de-identified.

Photographs and/or audio-visual recordings of winning students may also be shared in print or electronic media.

If you consent to your child's work being used in the 2026 edition of *The Best of WriteOn*, and/or as a work sample, please sign the permission note below and return it to your child's teacher by their requested date or no later than **Friday 19 June 2026**. If you do not consent, then we will not publish their writing in the anthology.

If you have any questions regarding this request, please contact your child's class teacher.
