Notes: <sup>1</sup>This table shows scheduled meetings (including a scheduled meeting that takes place in person, or by teleconference or telephone call) held by the Minister with external persons who seek to influence government policy or decisions. It does not include internal meetings held by Ministers with other Ministers, ministerial staff, Parliamentarians or government officials (whether from NSW, or other Australian jurisdictions, or foreign governments), or strictly personal, electorate or party political meetings. It does not include attendance at public or social functions or events. Information (such as that above) will not be disclosed about meetings where there is an overriding public interest against disclosure under the *Government Information (Public Access) Act 2009* (for example, where the information is market sensitive or commercial-in-confidence).

<sup>2</sup> This column records organisation names unless an individual attends a meeting in a personal capacity and does not represent any organisation, in which case the individual's name should be recorded. Where a third-party lobbyist is present at a scheduled meeting, this column includes the name of the third-party lobbying firm, any of their personnel present at the meeting and the name of the client on whose behalf the third-party lobbyist is lobbying.
